Welcome to the IEM Department Newsletter!

Stay informed and connected with the latest updates on departmental events, research breakthroughs, student achievements, and faculty highlights. From academic milestones to innovations in teaching and learning, we bring you stories that reflect the vibrant life of the Industrial Engineering and Management community.

This newsletter also showcases extracurricular activities, including hackathons, technical fests, cultural events, and student club initiatives. We aim to foster collaboration, creativity, and leadership among students while providing a platform to explore interests beyond the classroom.

We hope this newsletter leaves you feeling informed, connected, and proud.

As the festive season approaches, we extend our warmest wishes to you and your families for Dasara and Deepavali. May these celebrations bring you immense joy, prosperity, and light.

Warmly,
The Editorial Team

Graduation Ceremony 2025

ಪ್ರಜಾ ಪ್ರಗತಿ

ಹೊಸ ಆವಿಷ್ಕಾರಗಳೊಂದಿಗೆ ರಾಷ್ಟ್ರ ನಿರ್ಮಾಣಕ್ಕೆ ಮುಂದಾಗಲು ಕರೆ

On **August 25, 2025**, RV College of Engineering celebrated its graduating class with a grand convocation ceremony at Poornima Palace in Bengaluru. A total of **1,136 students** received their degrees, marking the proud culmination of their academic journey.

The ceremony was graced by the esteemed presence of **Chief Guest, Dr. V. Narayanan, Chairman of ISRO**, who delivered an inspiring address. He extended his warm wishes to the faculty & graduating students before presenting the academic awards for the year.

ಉದಯಕಾಲ

ಹೊಸ ಆವಿಷ್ಕಾರಗಳೊಂದಿಗೆ ರಾಷ್ಟ್ರ ನಿರ್ಮಾಣಕ್ಕೆ ಮುಂದಾಗಬೇಕು

Our department proudly celebrated its **49 graduating students**, with the spotlight shining brightly on **Diya K Mutha** for her exceptional achievements. She secured two of the ceremony's most prestigious awards:

Diya K Mutha

- The **Gold Medal** for securing the first rank, an award instituted in the name of '**Sri. A Chamaraju**' and sponsored by **Advaith Motors (P) LTD.**
- The '**Sri. M Prahalada Rao Award**' for the "**Best Performance in Industrial Engineering Stream**," sponsored by **Sri. M P Sunder** a distinguished alumnus from the batch of 1994.

Sl No	USN	Name	CGPA	Rank No.
1	1RV21IM018	DIYA K MUTHA	9.36	1st RANK
2	1RV21IM059	UJJWAL BHATTACHARYA	9.06	2nd RANK
3	1RV21IM031	N TANUSHRI	9.01	3rd RANK
4	1RV21IM025	INCHARA N ARADHYA	8.94	4th RANK
5	1RV21IM046	RAKIBUL HASAN	8.84	5th RANK
6	1RV21IM035	NIMMALA SRAVANTHI	8.82	6th RANK

We extend our heartiest congratulations to all the graduates and award winners on their remarkable achievements.

IEM Welcomes New Student Cohort

A new academic journey began on **August 24, 2025**, as the department officially welcomed its incoming batch of first-year students. A comprehensive **Orientation and Induction program** was conducted on **August 26, 2025.**

In the address, our HOD provided the new cohort with an overview of the department's vision, curriculum, and the exciting opportunities that await them on their academic journey.

Celebrating Faculty Excellence

Dr. K.N. Subramanya, Principal of RVCE, has been featured by The Knowledge Review magazine as one of "**The 5 Leading Principals of Excellence in India for 2025**."

Gracing the cover of the magazine's latest issue, this honor celebrates his visionary leadership, dedication to academic innovation, and commitment to holistic student development.

The feature acknowledges that under his guidance, RVCE continues to set benchmarks in engineering education

Dr. C. K. Nagendra Guptha

Dr. C. K. Nagendra Guptha received the **Dr. J. M. Mahajan Award** 2024–2025 from the Indian Institution of Industrial Engineering. This honor acknowledges his active involvement in the development and application of Industrial Engineering and Management principles in educational institutions and universities. The award was presented during the **IIIE 67th National Convention**, held on 8th August 2025 at Hotel Dimoro, Thiruvananthapuram.

Dr. Ramaa A was also conferred with the **Dr. J. M. Mahajan Award 2024–2025** by the Indian Institution of Industrial Engineering. The award recognized her significant contributions to the promotion and propagation of Industrial Engineering and Management principles in academia. The felicitation took place at the IIIE 67th National Convention on 8th August 2025 at Hotel Dimoro, Thiruvananthapuram.

Dr. Ramaa A

International Certificate Course at FH Dortmund

Six students from the Department of Industrial Engineering and Management – **Mihika, Disha, Chinmaya, Harshul, Devadeekshith, and Malavika,** have successfully completed the International Certificate Course in Smart Manufacturing 2025. The program was held at **FH Dortmund University in Germany**, from August 21st to September 14th.

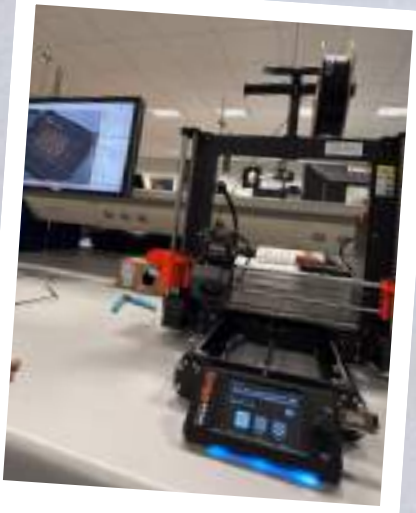

Dr. Vikram N

The course provided participants with deep insights into the latest global industrial practices through several intensive modules, including:

- Lean Production
- Lightweight Design
- Innovation Management & Entrepreneurship
- High Performance Machine Tools
- Additive Manufacturing (3D Printing)

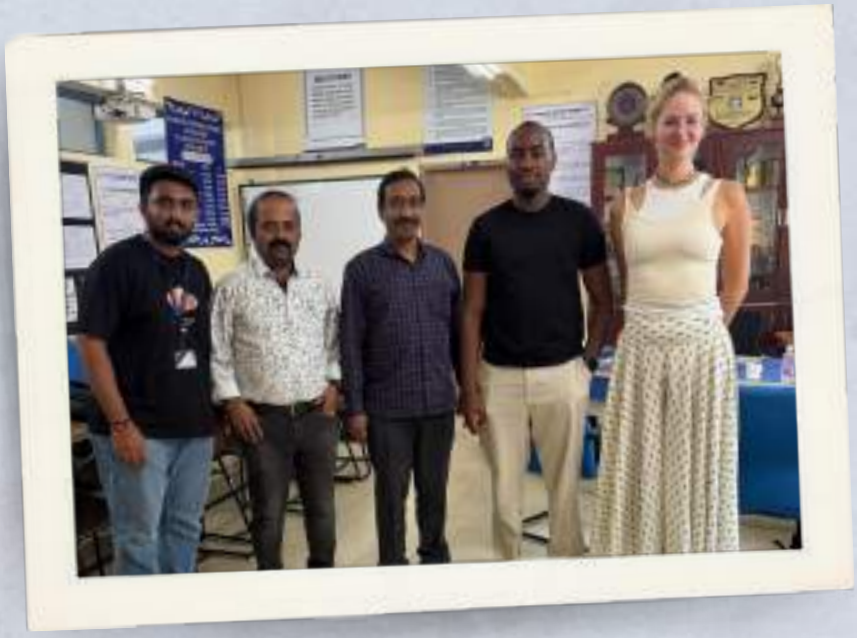

The students extend their sincere gratitude to **Dr. Vikram N. Bahadurdesai** and **Dr. Nataraj J. R** for their guidance and support throughout this international program.

The department congratulates the students on this significant accomplishment, which exemplifies the practical, global exposure central to our curriculum.

The Dortmund Project

IEM at the Forefront of Global Sustainability Research with German Collaboration

In an era where sustainable practices are more critical than ever, our department is proud to be a central part of a new international research project with FH Dortmund, University of Applied Sciences and Arts, Germany. Titled "**Assessing the Organizational Readiness for Circular Economy Adoption**," this initiative tackles one of today's most pressing business challenges: how can companies effectively transition to sustainable, circular models?

The project aims to identify the key drivers that accelerate this transition and the barriers that stand in the way, providing crucial insights for businesses in a rapidly evolving global market.

At the heart of this collaborative effort is a dynamic, cross-cultural student team. We are especially proud that the team includes our very own **Dhanush A P** from the Department of Industrial Engineering and Management, working alongside Wete Soma Gareia and Christina Lumphe from FH Dortmund.

Guiding their research is a distinguished panel of mentors from both institutions, including:

- **Dr. Vikram N. Bahadurdesai** (IEM, RVCE)
- **Dr. Nataraj J. R** (Mechanical Engineering, RVCE)
- **Dr. K. N. Subramanya** (Principal, RVCE)
- **Prof. Tim Gruchmann** (FH Dortmund)
- **Prof. Stephan Weyers** (FH Dortmund)

This project is a powerful example of RVCE's commitment to fostering global partnerships and pioneering research that addresses real-world challenges. It provides an invaluable platform for our students and faculty to contribute to the global conversation on sustainability and innovation.

Green Pay - Business Plan

A team of our VII semester students has achieved a remarkable victory at **MANTHAN 2025**, the prestigious business plan competition organized by the **Federation of Karnataka Chambers of Commerce and Industry (FKCCI).**

The team, comprising **Nihal, Chinmaya, Disha, and Devdeekshit**, secured the 4th prize and a cash award of **Rs. 75,000** for their innovative business plan, “Green Pay.” The Grand Finale was held on September 16, 2025, at the Sir M.V. Auditorium, FKCCI, in Bengaluru.

The path to this victory was incredibly competitive. The competition, which spanned five months, began with a massive pool of **537 teams**. Through several rigorous rounds, our students consistently proved their mettle, advancing to be recognized among the top 10 finalists.

This outstanding success was guided by the dedicated mentorship of **Dr. Ramaa A** of the IEM department.

RVCE - Berlin Talent Event

Senator Franziska Giffey

Dr. K N Subramanya

On July 8th, 2025, RVCE had the honor of hosting the "Berlin Talent" event, a significant initiative organized by **E-Cell RVCE** in collaboration with the **Indo-German Collaborative Cell**.

The event was graced by the presence of our chief guest, **Ms. Franziska Giffey**, Senator for Economic Affairs, Berlin. She was accompanied by a high-level delegation of over a dozen German CEOs, startup founders, innovation managers, and policymakers. The RVCE leadership, including **Mr. M.P. Shyam** (President, RV Educational Institutions), **Dr. K.N. Subramanya** (Principal), **Dr. Geetha K.S** (Vice Principal), **Dr. Nataraj J. R** (Dean, Global Partnerships), and **Dr. Vikram N. Bahadurdesai** (IEM), formally welcomed the delegation.

The event featured an insightful keynote by Senator Giffey on Berlin's startup ecosystem, a panel discussion on "**Bengaluru to Berlin – Career Transitions**," and sessions on opportunities in Germany. These activities, culminating in a direct networking session with German business leaders, successfully strengthened the bridge between our students and the global innovation landscape, fostering vital career pathways.

Major Events

Demonstrating a strong commitment to community mentorship, **Dr. K.N. Subramanya**, Principal and Professor of Industrial Engineering & Management, was a featured guest speaker at the "Career Compass" event on July 20, 2025.

Organized by **Spandana**, a community care organization, the session was aimed at guiding students (Grade 9 and above) and their parents through the complexities of career planning. Dr. Subramanya delivered an insightful talk on the "**Top considerations while considering Engineering careers**" offering valuable direction to the next generation of innovators.

Highlighting the depth of expertise within our department, **Prof. N S Narahari**, Visiting Professor at the Department of IEM, was invited to deliver an expert talk on July 2, 2025.

The session, organized by the Department of Information Science and Engineering (ISE), focused on the critical topic of "**Human Computer Interaction in the AI era**." Postgraduate students from the Institutional Elective course attended the talk, gaining valuable insights into the evolving relationship between humans and intelligent systems.

Veena Ananthachandran

Strengthening our alumni connections, the department was delighted to host an expert talk on July 21st by our distinguished IEM alumna, **Veena Ananthachandran**, from **Microsoft**, USA.

Held in the ISE seminar hall, the session provided students and faculty with a firsthand look into the capabilities of **AI Co-Pilot**.

Prof. Bhaskar M G

We are proud to announce that Prof. Bhaskar M G was an invited speaker at **Adichunchanagiri Institute of Technology (AIT)**, Chikkamagaluru, on August 22, 2025.

His insightful talk, "**Design Thinking and Artificial Intelligence tailored to applications in Civil Engineering and Education**," was delivered to a diverse audience of 60, including students, faculty, and industry professionals.

Demonstrating a commitment to continuous learning, **Dr. Ramaa** A successfully completed a week-long Faculty Development Programme on Artificial Intelligence from July 14th to 18th, 2025.

The intensive online program, aptly titled "**From Chalkboards to Chatbots – A Faculty Voyage into AI**," was conducted by the prestigious **IIT Roopar**. This initiative highlights our faculty's dedication to integrating cutting-edge technologies into our curriculum and research.

Dr. Ramaa A

Members of our faculty team took a productive break from their campus routine to participate in a Leadership Outbound Program on the weekend of August 17th and 18th, 2025.

Held amidst the serene landscapes of Advaya Resorts in Sakleshpur, the two-day program was designed to foster teamwork, sharpen leadership skills, and encourage strategic thinking in a collaborative and refreshing environment.

On July 11th, RVCE welcomed back over 200 alumni from the graduating batch of 2000 for their 25-year reunion. We were especially pleased to host nearly 20 distinguished alumni from the IEM department, who reconnected with faculty and explored their evolving alma mater.
